### What is God telling you to do?

According to the Scripture, there were ten lepers who saw Jesus. They shouted to him "Jesus! Have mercy on us and make us whole" Jesus could have healed them there and then, but instead, He asked them to do something to express their faith. He said, "go show yourself to the Priest, and you will be made whole".

It's interesting that those lepers were not supposed to be around other people. They had to live in colonies because they were contagious and considered unclean. I'm sure they debated among themselves, "Do you really think we should go? I don't look any better. It's just going to be a waste of our time." But they dared put action behind their faith. they decided, "Jesus said if we go, we will be well. Let's go, let's take a step of faith." The Scripture then says, "as they went, they were made whole."

What is God telling you in to do in your heart today? Take a step of faith. Put action behind faith.

Sharron
